Dear Parents,

To help the children improve their reading fluency and comprehension, please have them read this book at least 2 times before Friday. This complete sheet is due on FRIDAY! Each time they read, please have them sign this sheet. You are asked to sign it too. Your child must also write three or more complete sentences about what the book was about. This means each sentence must have a subject and predicate, start with a capital letter and end with a period. Encourage your child to go back and use the book to help increase the correct spelling of their words.

I read my book to an adult. _______________ My child read their book to an adult ______

I read my book to an adult. _______________ My child read their book to an adult ______

Write three or more complete sentences to explain what this book was about. Use the back if you need to.
