Vocabulary

The following are vocabulary words that will be covered in our reading selection this week. Please talk with your child about the meanings of these words and how they were used in the selection. The meanings of these words are most important to having your child understand the text. Your child should be able to recognize, pronounce the words, and understand the meanings. We will require them to be spelled correctly when using them in a sentence on the test day.

Words:
1. balancing -
   ____________________________________________________________

2. foggy -
   ____________________________________________________________

3. stretch -
   ____________________________________________________________

Spelling and Decoding

The following are “sight” words that your child will need to learn to read and spell. They are words that occur often in what we will read this year, and they are words that your child will need to use correctly in his/her writing.

Write each word on the line provided.
